SMART INDIA HACKATHON (SIH) 2024

As per the Letter from MoE, Innovation Cell No: Innovation Cell/ SIH/2024-25/P/552/110070/823 which was mailed by Commissionerate of Technical Education, All the students of Shri K. K. Shastri Government Commerce College are hereby informed that the All India Council for Technical Education (AICTE) & Ministry of Education's Innovation Cell (MIC), has launched the Smart India Hackathon (SIH) 2024 involving all major technical institutions across the country

In the last 7 years, SIH has evolved into the World's largest Open Innovation Model to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem-solving. Moreover, the Hon'ble Prime Minister of India has applauded the SIH initiative on multiple occasions which has helped kick-start the hackathon culture in India. The previous editions of SIH have proven to be extremely beneficial for the students in establishing startups and employment opportunities in various organizations. For SIH 2024, we have received 254 problem statements from 54 Ministries, Departments, PSUs, State Governments, and private industries. This presents an excellent opportunity for students from Gujarat state to showcase their talent and contribute to developing innovative solutions while gaining practical experience

Those student teams who are interested for participating in Smart India Hackathon 2024 are requested to visit website www.sih.gov.in for more details. Those who are registering for this Hackathon are required to provide registration details to Pankaj Sharma, SSIP Coordinator (Cabin Number 205).

Dr. Pankaj Sharma
